Building Data Warehouse

Disclaimer - Please read

The information presented on this website is informational only and does not necessarily reflect the current condition of the building or property. The fact that a permit was issued does not confirm that work was performed or performed in accordance with that permit and the requirements of the Municipal Code. Information on inspections and violations reflect conditions found by the inspector at the time of the inspection and not the current status of those violations or current condition of the property. The absence of violations on this website does not mean a building or property is in compliance with the requirements of the Municipal Code. Certain violations may be referred to the City's Department of Law for enforcement proceedings in the Department of Administrative Hearings or the Circuit Court of Cook County, and records of those proceedings may be obtained from the Department of Administrative Hearings or Clerk of the Circuit Court, respectively.
