

Jessica Sundby has spent the past eleven years working in the hospitality industry in restaurant and bar management. Throughout her time in hospitality, Jessica's responsibilities have included building client relationships, maintaining high levels of organization, marketing and sales. She prides herself on her integrity, high energy, hard work and dependability, and works very hard to be a good listener, as she recognizes the importance of understanding her client's needs and goals.

As a Chicago resident for over six years, Jessica has called many of its best neighborhoods home, including Lincoln Park, Gold Coast, Lakeview East and Wicker Park. Her extensive knowledge about these neighborhoods has helped to make the rental process smooth and rewarding for her clients.

Jessica joined Miller Chicago Real Estate as a Leasing Agent with the hopes of learning the business and eventually obtaining her broker's license. Her attention to detail and ability to learn quickly did not go unnoticed, and she quickly transitioned to office management and administration. In this role, she now also assists with coordinating showings, activating and marketing listings on multiple platforms, and providing support to our brokers.
